Mondays to Fridays only - a Saturdays service operates on work-days between Christmas and New Year

Nu-Venture buses 13/13A until January 2024.

Bus 13 Langley Heath ↔ Otham ↔ Sutton Road ↔ Maidstone

During major road works by South East Water on the narrow B2163, Nu-Venture bus 13 remains unable to access its normal route through Leeds until January 2024. Leeds Village itself will have no buses for the duration as it has proved to be impossible to find a safe turning area nearby for buses.

However, in co-operation with South East Water and Kent County Council, Nu-Venture has devised a temporary solution. Bus 13 continues on a shorter route, between Langley Heath, Otham and Maidstone Town Centre. To serve the outer end of the route at Hollingbourne and Eyhorne Street, temporary shuttle bus 13A operates to and from Maidstone Town Centre via the A2O, with a minor revision to bus times from 29 August.
